## Green + Blue Gallery Moves to Hardwick

December 29, 2011

Green + Blue Gallery has relocated from Stowe to 4 S. Main St. in Hardwick.

An opening reception for a new collection of paintings by Montreal artist **Heidi Spector**, “High Fidelity,” is tonight, Thursday, Dec. 29, from 5 to 7:30 p.m.

The jazz band Picture This, featuring Lucas Adler on drums, will perform at the reception. The exhibit will also include paintings by Charles Yoder and Glenn Goldberg and sculpture by Amelia Toelke and Joel Fisher. The exhibition runs through Jan. 21.

Spector’s new works include sculptural paintings and the addition of new materials, including polished stainless steel. Her oil paintings are made on Belgian linen with canvas stretchers and alkyd and resin finishes, which provide a high-gloss finish. The reflective resin surface and polished stainless steel reflect the image of the viewer.
