10 Things to Do in New York's Art World Before June 12

By Paul Laster
June 9, 2015

Thursday June 11:

Opening: "Tegene Kunbi: Danjerus Cable" at Margaret Thatcher Projects

A talented abstract artist, Ethiopian-born, Berlin-based Tegene Kunbi makes luscious paintings with richly textured surfaces and linear blocks of vibrant color. Translating the palette of his African roots, Kunbi creates a visual language that can be understood universally.
